

TGKVF helps students follow their educational dreams and prepare for their future careers. TGKVF administers over 500 funds and more than 100 of those are designated for statewide scholarships. In the 2017 – 2018 academic school year, TGKVF funded 373 scholarships for a total of \$768,297.00. We know being a student presents many challenges. With this in mind, our generous donors have created hundreds of scholarship opportunities for students throughout the state.

The 2018-19 scholarship application is available November 1, 2017-January 15, 2018
